I have summons scheduled until January 2012.

I would pick a date and we will figure it out. Mondays are usually good for court appearances. Definitely **NOT** the last two weeks of October and the first two weeks of November. I have a several cases those weeks.

Hope this helps.

Hi Annie,

We have a case here in the Wrentham District Court. The defendants are charged with several Drug Possession with intent to distribute subsequent offense charges. It is very likely to go to trial. The defense attorneys and I are going to pick a trial date today. Could you please provide me a few (at least 3) dates that would fit into your schedule? Once we have a date, I will email you a summons and ask that you reserve the day to be on-call for the case.

Thanks,

Michael
